GOAL

The GOAL of ILAC is to provide an interactive program that exposes participants to local issues, experiences and outcomes; to manage change, improve concepts, and provide perspective in their own communities.

PURPOSE

The PURPOSE of ILAC is to hold annual alumni conferences for members of agricultural/rural leadership programs and others, that are beneficial to participants, host alumni groups and local communities.

Not Alumni? Not a Problem!

Bring your family, friends, co-workers or employees!

The International Leadership Alumni Conference (ILAC) Association is a **group of like-minded leaders** who are mostly graduates of rural and agricultural leadership programs from Australia, Canada, New Zealand, Scotland, and the United States.

However, ILAC is designed to **promote networking and professional development** for the alumni of these programs **as well as others** who are interested in the experience.

ILAC provides a great venue to meet **other alumni** and visit the host state or country and **learn more about their agriculture** and rural issues.....we are celebrating more than **30 years of networking and friendships**.

Are you interested in continuing your Journey?

Visit the ILAC website and join the ILAC E-Mail list so we can keep you informed of opportunities to continue the experience of personal development and learning more about agriculture all around the world.
